EDUCATION

University of Arkansas, Fayetteville, AR

Bachelor of Science in Industrial Engineering and Operations Analytics

Sophomore | Expected Graduation: May 2029

Technical Skills

- **Programming:** Java, Python, R
- **Software:** Microsoft Excel, Microsoft Word, PowerPoint
- **Engineering Skills:** Data Analysis, Problem Solving, Team Collaboration
- **Professional Skills:** Communication, Adaptability, Time Management, Working in Fast-Paced Environments

Work Experience

Walmart – Personal Shopper | Summer 2026

- Managed multiple tasks while meeting productivity goals.
- Maintained strong attention to detail and customer service.

Chick-fil-A – Back of House Team Member | Spring 2025 – Summer 2025

- Worked efficiently during high-volume service periods.
- Collaborated with team members to support daily operations

Projects

Balsa Wood Tower Design Project

- Designed and built a lightweight structural tower using engineering principles.
- Evaluated load capacity and improved design efficiency through testing.

Energy Analysis Project

- Analyzed energy-related concepts and improved upon them.
- Presented findings and recommendations in a team environment.
